This is a competitive basketball league focused on player's improving on the basketball skills that are necessary to play in the Lady Badgers program. 3 on 3 games are one of the best tools that can be used to teach basketball movements, footwork, ball handling, passing, shooting, defending, and rebounding. As well as competitiveness and toughness. Our goal is to help each player improve in these key areas.

Teams will be organized by the high school coaches based on grade and/or skill level. Games and matchups will be determined by level of play. There will be three levels of play based on each team's overall record, grade and/or skill level. Game rules will be based on our open gym rules. Coaches will be at the gym to supervise but players will learn to regulate themselves calling fouls, jump balls, turnovers, etc.
